

Healthcare Research Analyst

Overview

SCALE Research is seeking to hire a driven and dynamic Healthcare Research Analyst to join our team. This individual is responsible for participating in the completion of all healthcare reimbursement, market research, and diligence for assigned clients. The Healthcare Research Analyst will also interact with support staff, the Company's C-Suite, client management and personnel, and vendors. Applicants with 1+ year(s) of professional experience and recent graduates are encouraged to apply.

Primary duties and responsibilities include:

Research

- Assist the team in developing a business strategy for clients by performing quantitative and/or qualitative research. Including but not limited to:
 - The healthcare delivery system in targeted markets: patients, providers, health systems, health plans, etc.
 - The role of the government in reimbursing or regulating healthcare services
 - Collecting and analyzing data on patients, providers, and insurers
- Ensure accuracy and timeliness of all required research reports and data to reach applicable deadlines

Support

- Educate client personnel as needed on healthcare reimbursement, regulatory, and payer trends - and the process to ensure accurate information about the health system through research conducted
- Assist in coordinating with outside vendors
- Assist in managing client deliverables on a daily, weekly, and monthly basis

Assist

- Streamline processes and create efficiencies both within SCALE and at the client level
- Work with client and SCALE personnel to develop actionable and fiscally sound solutions

Qualifications:

- Highly detail-oriented
- Research background/ability to conduct research
- An understanding of the healthcare system, focusing on healthcare services, government reimbursement and regulations, and health insurers
- Strong oral and written communication skills
- Ability to interact directly and maintain correspondence with internal and external stakeholders
- Medium to Advanced Excel skills
- Adherence to internally generated deadlines

Education:

- Bachelor's degree in Communications, Healthcare Administration, Public Policy and Journalism strongly preferred

Location:

- Remote

Compensation & Benefits:

750 Lexington Avenue, 7th Floor
eabeln@scale-healthcare.com | +1 (314) 677-5222
www.scale-healthcare.com

- \$60,000-75,000
- Employer sponsored health insurance (Medical, Dental, and Vision) + 401(K) Plan Options

How to Apply

Interested candidates should reach out to Emma Abeln at eabeln@scale-healthcare.com with their resume and cover letter for further information.

About Us

SCALE is an entirely unique management consulting firm that offers a full range of multidisciplinary solutions exclusively to healthcare service organizations including provider platforms, pharma business services, diagnostic labs, hospital systems, and healthcare focused private equity groups. Our multidisciplinary team of experts bring an average of 25 years of senior healthcare management and operational discipline experience to our engagements, providing tailored solutions that help physician groups grow and thrive in today's marketplace.
